

ELANTRA

2022

Because of you.

At Hyundai, we believe that only with you in mind will we be able to provide progress, innovation, sustainability and mobility that evolves the driving experience.

We prioritize research and development in connected and clean mobility solutions, continuing to push boundaries and challenge conventional thinking to bring you a connected experience and a sustainable vision for the future.

We are inspired to build platforms and technology that provide you with more ways to enjoy quality time with our vehicles. To live a comfortable and connected life where you enjoy the journey, not just the destination.

We also tailor our vehicles with features that meet the demands of our Canadian landscape, so you can take on our extreme winters and amazing summers in comfort and with confidence. And, of course, we back our vehicles with one of the best automotive warranties in the industry.

We do all of this because of you.

Stay connected and protected.

There's no mistaking the striking and sporty design of the ELANTRA.

Inside, a range of available technology features like wireless Apple CarPlay™ and Android Auto™ helps make it effortless to stay connected wherever you go.

But the smart technology doesn't just keep you connected, it also helps keep you protected. With advanced Hyundai SmartSense™ features, like available Forward Collision-Avoidance Assist with Pedestrian, Cyclist and Junction-Turning Detection¹ to help prevent a potential frontal collision — you feel protected and confident behind the wheel.

Striking from every angle.

From every angle the ELANTRA delivers a sporty and striking look. Bold, converging character lines create a unique three-dimensional presence along the side. A dominant bold grille up front seamlessly integrates into the headlight architecture and the sleek-edged trunk lid further adds to the confident appearance.

Available LED tail lights

Available LED headlights

Available 17" alloy wheels

Designed around you.

Elevate your drive with the wraparound, driver-centric design of the ELANTRA. The sleek touch-screen display is tilted 10 degrees towards the driver, giving better sightlines and access from behind the wheel.

A number of available features are customizable to your liking, including the 8-way power driver's seat, the interior ambient lighting with 64 colour choices and the dual-zone climate control. You can even adjust the depth of the cup holders to better fit your favourite coffee cup or extra-tall water bottle.

Ultimate model with Tech package shown. May not be exactly as shown.

Standard heated front seats and available heated steering wheel

Available heated rear seats

Available interior ambient lighting (64 colour choices)

Available dual-zone climate control

Technology to transform your drive.

The features offered in the ELANTRA are nothing short of impressive. When you step inside — using the available proximity key, of course — you are greeted by an available sleek digital instrument cluster, flowing into the available 10.25" touch-screen display. Add in the available wireless charging pad[▼] and the available Bose® sound system and you'll know what we mean by “transform your drive.”

10.25" touch-screen shown with Apple CarPlay™

Standard Apple CarPlay™[▲] and Android Auto™[▲] with available wireless connectivity

Accessories.

Accessory frame

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bikes and ski racks. Frame not intended for towing.

Premium all-weather floor liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Their unique and durable design features a non-slip surface for added comfort and a long-lasting premium look. Remove carpet mats prior to installation.

Premium all-weather cargo tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Plastic hood protector

Help prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Rear bumper protector black film

Protection film easily applies to protect from scratches and scrapes while maintaining the visual appearance of your vehicle.

Rally Armor® mud guards

Rally Armor® mud guards introduce exceptional paint protection from road debris and lend a racing-inspired image to your Hyundai. Packaged complete with stainless steel installation hardware; the kit does not require any drilling and installs to existing mounting points.

One of the best-backed warranties in Canada.

You will see that a number of our vehicles have received multiple awards from the most reputable third-party organizations, so you can take their word when it comes to the quality of our vehicles. This quality is equally matched by the quality of our warranty. We stand confidently behind our products to give you ultimate peace of mind with a 5-year/100,000 kilometre Comprehensive Limited Warranty¹. We also provide a 5-year/Unlimited kilometre Roadside Assistance Program^{1†} featuring flat tire changing, lockout service and more. Just one toll-free call away, 24 hours a day.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible. ¹Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions. ^{1†}Hyundai's 24-Hour Roadside Assistance Program is a limited service and does not cover certain costs or expenses. Roadside Assistance is not a warranty. ⁴Apple CarPlay™ may not be available on all devices and may not be available in all countries or regions. Visit www.apple.com for further details and any applicable limitations. Apple and Apple CarPlay are trademarks of Apple Inc.. ⁵Android Auto may not be available on all devices and may not be available in all countries or regions. Visit www.android.com for further details and any applicable limitations. Android and Android Auto are trademarks of Google Inc.. ⁶Vehicle is equipped with the ability to access SiriusXM radio. Does not include subscription. The SiriusXM™ name is a trademark of SiriusXM Satellite Radio Inc.. ⁹Available on select models only. BlueLink® includes 3 years of service without charge. The BlueLink service is available for new vehicle purchases and leases subject to the BlueLink subscription terms and conditions. Only use BlueLink and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees may vary by model and are subject to change. For more on details and limitations, visit hyundaicanada.com or your authorized Hyundai dealer. ⁷Forward Collision-Avoidance Assist (FCA) is designed to detect vehicles, pedestrians or cyclists (depending on the specific FCA type with which the vehicle is equipped) that are directly in front of the vehicle. FCA will not detect all vehicles, pedestrians, cyclists or other objects (as applicable). FCA will not work on winding or hilly roads, during certain weather conditions such as rain, snow, fog and any other times of limited visibility. The speed at which FCA initiates full braking depends on the type of FCA system equipped on the ELANTRA. FCA initiates full braking at speeds between 10 and 60 km/h (vehicle detection) or 10 and 60 km/h (pedestrian detection) if the ELANTRA is equipped with the FCA "camera-type" system. FCA initiates full braking at speeds between 10 and 75 km/h and 10 and 85 km/h (vehicle detection, depending on whether vehicle ahead is in motion) or 10 and 65 km/h (pedestrian and cyclist detection) if the ELANTRA is equipped with the FCA "camera and radar-type" system. FCA will not detect all vehicles, pedestrians and cyclists under certain conditions. Junction-Turning Detection (JTD) provides audible warnings if the system recognizes potential risk of collision with an oncoming vehicle and will automatically apply brakes depending on the collision level. JTD will operate when the driver turns left, if your vehicle's turn signal is on and vehicle speed is between 10 and 30 km/h, and oncoming vehicle's speed is between 30 and 70 km/h. See Owner's Manual for detailed descriptions of example conditions in which FCA may not detect a vehicle, pedestrian or cyclist, or JTD will not detect oncoming vehicle. FCA and JTD are not substitutes for safe driving. Always check your surroundings when driving. See Owner's Manual for further details and limitations. ^{*}Not all devices will be compatible. See Owner's Manual for further details. Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc.. HomeLink® is a registered trademark of Johnson Controls Inc.. Bose® is a registered trademark of Bose Corporation. All other trademarks and trade names are those of their respective owners. Some images shown with special graphic effects.
