

The 2022 Telluride

Movement that inspires

Built for the modern family.

Just as family life has advanced and evolved, so has the family SUV. It's now possible to take your life on the road in an SUV with an edgy design that's complemented by muscular V6 power and an array of the latest technology. Designed for your family - it's the 2022 Telluride.

Take command of every moment.

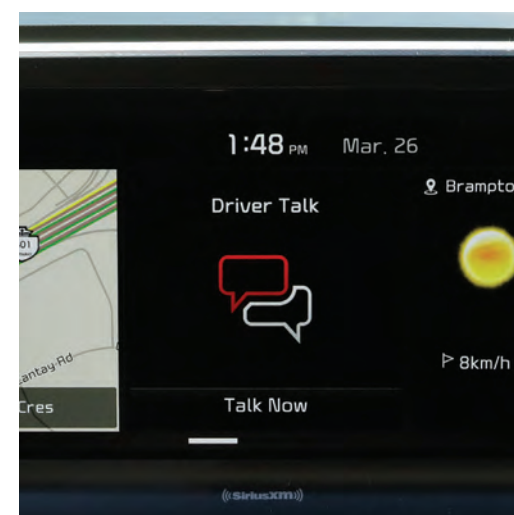

The modern cockpit has a clean design, intuitively placed controls, and an abundance of premium standard and available features that will keep you firmly in control.

Wireless charging³
keeps your smartphone fully charged while you're on the road.

Rear diffused air vents
let rear passengers diffuse the air flow to a softer, more indirect output.

Driver talk
allows the driver's voice to be played through the rear speakers at the touch of a button, making it easier for 2nd and 3rd row passengers to hear.

Quiet mode
lets you mute the speakers in the 2nd and 3rd rows to accommodate sleeping passengers.

Adapts to the contours of your life.

Telluride combines exceptional comfort with extraordinary versatility. You can choose between 7 and 8-passenger seating¹ that includes highly-adaptable 60:40 split-folding 2nd and 3rd row seats to optimize the interior for both passengers and cargo.

One-touch slide and fold 2nd row seats to give 3rd row passengers easy access.

You've got room for that.

What's an adventure without your gear? Telluride gets you wherever you're going - with everything you want to bring along.

Easy cargo access

for up to 2,455 litres (86.7 cu. ft.) of cargo space with 2nd and 3rd row seats folded.

Smart-power liftgate

opens automatically when you stand behind it for three seconds with your Smart Key — and closes with the push of a button.

Concealed under-floor storage

provides a hidden storage compartment to organize smaller, lesser-used items.

Safety covered from every angle.

Using the latest sensing and processing technology, the Telluride helps you stay aware of your position on the road, and can even step in and prevent collisions.

Forward collision-avoidance assist²

is designed to detect and alert you if a potential front collision is imminent, and can also automatically apply the brakes, if necessary.

Blind view monitor^{1,2}

activates within the instrument panel when you apply your turn signal, displaying the blind spot in the direction your turn signal is indicating.

Safe exit assist²

is designed to help prevent rear passengers from exiting the vehicle when the system detects potential hazards approaching. In this case, the system will engage the child locks, plus give an audible and visual alert.

Lane follow assist²

uses a camera at the front windshield to detect lane markers on the road to help keep you in the centre of your lane.

¹ Available feature. See features page or visit kia.ca for full details.

Features

EX			
EXTERIOR	SAFETY	TECHNOLOGY	COMFORT
• 18" machined-finish alloy wheels • Michelin tires • Temporary spare tire • Automatic headlights • LED headlights • LED positioning lights • LED daytime running lights • LED fog lights • Solar glass windshield • Sound-reducing windshield • Privacy tint glass • Single sunroof • Automatic power folding, heated sideview mirrors with signal repeaters • Silver painted grille • Body coloured door handles • Silver painted roof rails • Rear spoiler • Trailer lighting pre-wiring • Splash guards	• 7 airbags • Electronic stability control (ESC) • 4-wheel anti-lock braking system (ABS) • Hill-assist control (HAC) • Trailer stability assist (TSA) • High beam assist (HBA) • Driver attention alert (DAA)² • Forward collision-avoidance assist (FCA)² • Lane following assist² • Blind spot collision avoidance assist - rear (BCA-R)² • Rear cross-traffic collision avoidance assist (RCCA)² • Highway drive assist (HDA)*² • Safe exit assist² • Rear occupant alert² • Tire pressure monitoring system (TPMS) • Rear parking sensors² • Rearview camera² • Immobilizer	• Tri-zone automatic climate control • Automatic defog system • Rear climate ventilation • 10.25" multimedia interface with integrated navigation and HD traffic⁴ • USB charging ports • Bluetooth® hands-free cell phone connectivity^{3,7} • Apple CarPlay® and Android Auto™ smartphone integration^{3,8,9} • UVO Intelligence™ connected car services^{3,5} • SiriusXM satellite radio⁶ • 3.5" Supervision LCD/TFT instrument cluster • Driver talk • Quiet mode • Steering wheel-mounted audio controls • Advanced smart cruise control (ASCC)² • Electronic parking brake with auto hold function • Smart key with push-button start • Smart power liftgate • Wireless phone charger³ • 12V cabin power outlet • 110V power inverter (household outlet) • Express up/down windows • Obstacle-detecting windows • LED interior lighting • Auto-dimming rearview mirror • HomeLink® system¹¹ • Drive/Terrain Mode Select	• 8-passenger seating • Leather seats (synthetic) • One-touch slide and fold 2nd row seats • 60:40 split-folding 2nd and 3rd row seats • 8-way power adjustable driver's seat • 2-way driver's seat lumbar support • Heated front seats • Heated steering wheel • Leather-wrapped steering wheel • Leather-wrapped shift knob • Tilt and telescopic steering wheel • Satin chrome interior door handles • Woodgrain-finish interior trim

Endnotes

1. Available feature. See features page or visit kia.ca for full details. 2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 3. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-compatible case. 4. When equipped with the navigation system, French voice commands may be limited. 5. UVO Intelligence only available on select models and trims. Specific functionality may vary between models and trims. Destination Search is only available on vehicles with a navigation head unit. Certain functions are only accessible on the smartphone app and/or customer web portal and/or in-vehicle head unit. Service is free for the first three years from the day the vehicle was first registered. Monthly subscription may be applicable after the free period. Please consult your dealer for details. 6. SiriusXM satellite radio service includes 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 7. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. 8. Apple, the Apple logo, CarPlay, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. 9. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. 10. Harman Kardon is a registered trademark of Harman International Industries, Inc. All rights reserved. 11. HomeLink is a registered trademark of Johnson Controls, Inc. 12. When properly equipped. Do not exceed any weight ratings and follow all towing instructions in your Owner's Manual. 13. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to kia.ca.

We make every effort to ensure that the product information in this brochure is accurate at the time of printing. Occasional changes in production, that affect the standard or optional equipment included on a specific model, may occur after printing which will not be reflected in this brochure. Kia Canada Inc. reserves the right to make these changes without notice or obligation. For this reason, please rely on kia.ca or your local Kia dealer for the very latest product information. Some vehicles shown may include optional equipment or may not be exactly as shown.
