At the wheel, you have enhanced visibility, thanks to a higher seating position and slimmer side pillars that give way to larger windows. Meanwhile, above you, the expanded Dual Panel Panoramic Moonroof stretches from front to back, breathing in light.<sup>4</sup> An atmosphere this open makes it easy for everyone to enjoy the journey — and might make your destination seem beside the point.

### What would you like to know?

Turn-by-turn directions,<sup>4</sup> caller ID, safety features? Or maybe it's something else. Simple controls let you display what's important to you — right in front of you — on the 178 mm (7") Advanced Drive-Assist Display.<sup>2,8,9</sup>

With 11 speakers, including dual subwoofers, strategically placed throughout the cabin, the Bose Premium Audio System provides the richness and detail of a live performance. Each speaker has been custom-tuned by Bose engineers to take advantage of the unique interior acoustics of Murano, so every instrument seems to hit you from a different angle. It's front-row sound so good, it might even be better than being there.<sup>4</sup>

A more confident, exciting, and connected ride

Nissan Intelligent Mobility is forever changing how you move. You'll drive with greater awareness and can even get an assist when you need it. Everything gets easier too, as you seamlessly sync your compatible smartphone to your Murano® and the world around you. See and sense more around you

**Intelligent Around View® Monitor** Keep your pride and rims intact. Intelligent Around View Monitor makes parking easy with a virtual composite 360° bird's-eye view of your Murano.® You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen alert when it detects moving objects near your vehicle. We're looking at you, shopping cart.<sup>4,18,19</sup>

Get a hand when you want it

**Intelligent Forward Collision Warning** What's up ahead? Murano knows. Intelligent Forward Collision Warning watches up to two cars ahead, and when it detects sudden deceleration in front of you, it gives you a warning to slow down.<sup>20</sup>

**Intelligent Cruise Control** Go with the flow. Intelligent Cruise Control watches the flow of traffic to take the tedium out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.<sup>4,21</sup>

Because you like your power polished

**Power, courtesy of a 3.5-L V6 engine.** Murano®'s 260-horsepower 3.5-litre V6 engine keeps you ahead of the pack when you need to be.<sup>22</sup> And efficient fuel economy on the highway keeps it practical. Of course, it doesn't hurt to have aerodynamics that give you a drag coefficient of 0.31 — comparable to sports cars.

**Efficiency, brought to you by the Xtronic CVT.®** Unlike conventional automatic transmissions, the virtually "gearless" Xtronic CVT (Continuously Variable Transmission) makes gear-hunting a thing of the past. Fully variable gear ratios mean it can hold the engine at the ideal rpm, giving you a wave of power when you need it and achieving quiet, efficient cruising when you don't.
