

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

PATHFINDER®

2022

¹Available feature. ²Intelligent 4x4 cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ³Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ⁴Up to 6,000 lbs. maximum towing capacity for 2022 Pathfinder® Platinum. Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Always secure cargo. ⁵ProPILOT Assist and ProPILOT Assist with Navi-link cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. ⁶Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ⁷Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁰Blind Spot Warning and Intelligent Blind Spot Intervention cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹¹Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings are able to be detected. See Owner's Manual for safety information. ¹²Leather appointments. ¹³Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ¹⁴Do not perform slide forward function with the Child Restraint System occupied. ¹⁵Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. ¹⁶Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁷Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ¹⁸Extra cost option. ¹⁹Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. ²⁰Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ²¹Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²²Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²³Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ²⁴Does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ²⁵RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ²⁶Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²⁷Provincial laws may apply. Review before using. ²⁸Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ²⁹Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ³⁰120-volt power outlet is intended only for use with compatible items. Please check specifications of wattage and amperage of items to be plugged in to determine compatibility. ³¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³²XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2021 Sirius XM Canada Inc. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ³³Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁴Whichever occurs first. ³⁵Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³⁶Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³⁷Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. ³⁸Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ³⁹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ⁴⁰Vehicle must be on for the Easy-Fill Tire Alert to operate. ⁴¹2022 Fuel Consumption Estimates L/100 km (MPG) – 11.6 (24) City / 9.2 (31) Highway / 10.5 (27) Combined. Actual Mileage may vary with driving conditions. Use for comparison only. Google, Android, Android Auto and YouTube are trademarks of Google LLC. Bigger, bolder, soon to be dirtier

The all-new 2022 Pathfinder® looks to the future with a return to its roots. Venture far past the pavement with the new rugged Intelligent 4x4 System¹ and seven Drive and Terrain Modes — informed by over 30 years of off-road experience.² More standard safety means your main concern is which trail to veer off next.³ With elevated appointments and cutting-edge tech, the adventure starts inside.

Power to haul more fun

When adventure calls, don't send it to voicemail. Answer with Pathfinder's rugged chassis, capable 4x4 ability, and the muscle of the standard 3.5-litre V6 engine to crawl, climb and conquer. And with the capability to tow up to 6,000 lbs., exploring is a matter of where, not how.⁴

ProPILOT Assist with Navi-link

Standard ProPILOT Assist can stop and go with traffic and can help keep you centred in your lane. The new ProPILOT Assist with Navi-link also uses mapping to know the road ahead – curves, interchanges, junctions – and can automatically slow you down for a smoother ride. The new system can even adjust your set speed based on traffic signs.^{1,5}

Standard Nissan Safety Shield® 360

Imagine feeling confident in almost any situation. With a suite of six standard Safety Shield 360 technologies, the all-new Pathfinder is looking out for you all around. This is peace of mind you can enjoy, mile after mile.^{3,6}

- Intelligent Emergency Braking with Pedestrian Detection⁷
- Rear Automatic Braking⁸
- Rear Cross Traffic Alert⁹
- Blind Spot Warning¹⁰
- Lane Departure Warning¹¹
- High Beam Assist

Seven Drive and Terrain Modes

Mother Nature isn't going to cut you any slack. And that's just the way you like it. With Intelligent 4x4, you've got seven Drive and Terrain Modes to let you dial in the best grip for your needs.^{1,2}

- Snow
- Mud/Rut
- Sand
- Tow
- Auto
- Sport
- Eco

Three rows, endless gateways to adventure

The redesigned 2022 Pathfinder® interior was crafted to feel like a sanctuary after a long day on the trails. With three rows, your only worry will be getting a word in.

Second-row
Captain's Chairs¹

Semi-aniline Leather-appointed
Seats with Quilted inserts^{1,2}

Tri-Zone Automatic

Panoramic
Moonroof¹

Nissan Pathfinder® Platinum 4WD shown in Chestnut Semi-aniline Leather-appointed Seats with Quilted inserts.^{1,2} U.S. instrumentation shown.

Massive cargo space

The ability to do more requires the ability to bring more. No worries – Pathfinder's got your back. The cargo area and the 60/40-split folding rear seat let you carry everything from canopies to camping supplies.¹³

EZ FLEX® Seating System

No more musical chairs just to load up the family. Pathfinder's EZ FLEX® Seating System features LATCH AND GLIDE® that makes for easy access to the 3rd-row seats. Just push a button, and the seat automatically tilts and glides forward – even when a child seat is attached.¹⁴ New for 2022, this innovative tech works from both sides of the vehicle.

An interior that keeps you ready

Wireless Charger Place your compatible smartphone on the pad as shown, and your Pathfinder® does the rest. An indicator light will let you know when your smartphone is fully charged and ready to go.^{1,15}

Pass-Through-Console Storage It may look like modern design – but it's also smart. Creating a cubby area under the centre console controls gives you a great place to put items you want close at hand – and it's easily accessible from driver and passenger sides.¹³

Cutting-edge displays

Command your adventure with intuitive ways to access information, including essentials like speed and next-turn projected on your windshield.

12.3" Digital Dashboard^{1,16}

Head-Up Display¹

Wireless Apple CarPlay® integration^{1,17}

Android Auto™¹⁷

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website [Nissan.ca/finance](https://www.nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2022 Nissan is covered by a 3 year/60,000 km³⁴ Comprehensive New Vehicle Warranty, a 5 year/100,000 km³⁴ Powertrain Warranty, an 8 year/130,000 km³⁴ Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program

available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Tailpipe Emission vehicles like the 100% electric LEAF®, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

NISSAN PATHFINDER®

Isn't it time you were passionate about the vehicle you drive?

Welcome to the 2022 Pathfinder.
